Lino-Cut Printing offers an accessible artistic outlet that you can pursue from the comfort of your kitchen table, requiring minimal investment in tools and materials. Our sessions foster a relaxed, supportive, and fun environment, encouraging experimentation and skill development. Throughout the day, you'll create your unique linocut artwork, receiving both group interaction and personalized guidance. We guide you through image preparation, lino cutting, and printing onto traditional and colored papers. By day's end, you'll take home newfound skills and a piece you'll be proud to frame. Bring your own ideas or choose from our provided imagery.

The Studio is bright and welcoming in a relaxing and peaceful setting so why not give it a go? It can be a brilliant way to switch off from the stresses of life as well as being a fabulous creative outlet. Who knows what you will be able to create? You may even surprise yourself!

All materials, equipment, and refreshments including a light lunch are provided, making it a hassle-free experience. Consider wearing clothes suitable for a bit of mess or don an apron. Optional lino-cut kits are available for purchase if you're inspired to continue this engaging hobby at home.
