

CATEGORY:	Pottery
Title:	Pottery Hand-Building
Course Duration:	6 weeks
Ideal for:	Beginners and Improvers
Tutor:	J Bunting

Cost	£240	(£40 per week)
Maximum Places	6	
Minimum Places	4	

Over 6 weeks you will be supported by our experienced tutor in all hand-building techniques that make pottery so much fun! Including: Slab, Coil, Pinch Construction and Sculpting. You will also be introduced to a range of surface decoration techniques: underglaze, slip, mishima (inlay), sgraffito and glazing.

Week by week you will be guided through a new technique using a step by step tutorial and support to help you make pieces you can be proud of!

As you progress you will be encouraged to put into practice and further develop the skills you have been taught on projects of your own choosing, allowing you to continue your practice should you choose to rebook (we're confident you will want to keep going once you catch the pottery bug!) another block of 6 sessions.

The Studio is bright and welcoming in a relaxing and peaceful setting so why not give pottery a go? It can be a brilliant way to switch off from the stresses of life as well as being a fabulous creative outlet. Who knows what you will be able to create? You may even surprise yourself!

Materials are included for one project per week to be glazed and fired (there are limits on size and weight). If you wish to make more than one item each week and want this to be glazed and fired there is a cost of £4 per item (up to 1kg to be paid in advance). Extra items that you make during your session for practice and skills building, will not be charged if they are not glazed and fired and the clay can be recycled.

This 6 week course is either on a Monday Evening 6pm-9pm or Thursday Morning 10am-1pm. If you would like a different day let us know and we will add you to the waiting list.
